Day 1

Read John 15:1-8.

We are called to abide in Christ's love in order to grow and produce fruits.

How can we do that?
Plants need water,
what do we need?

Day 2

Our fruit of the spirit this month is Strawberries and Love! Get one last taste of summer by baking strawberry shortcake with your kids! Remember the love!

Day 3

Read 1 Corinthians 13

This is called the love chapter in the Bible. Ask your kids how as a family you can better love others like Jesus!

Day 4

Read 1 John 4:19

1 John talks A LOT about love. In fact, John points out that it is a requirement! If we don't love, we aren't connected to the Father! What is one way you can show your love to someone today?
